

FORM 6

MECHANEX

VEHICLES THAT FORM PART OF AN EXHIBITION STAND

In order to bring a vehicle into the exhibition hall and display it as part of an exhibition stand the exhibiting company agrees to the following requirements which have been set by the Venue and the Show Organisers:

- 1) Vehicles must have less than 5% of fuel in them.
- 2) All vehicles are to be provided with a lockable filler cap to the fuel tank(s) which must remain locked at all times.
- 3) All vehicles must have a drip tray placed underneath them.
- 4) Batteries must be disconnected.
- 5) Appropriate emergency fire fighting equipment capable of dealing with petroleum fires must be provided on each display stand in (Co2 fire extinguisher).
- 6) Vehicles for display must be driven up to the loading doors, the engine must then be switched off and the vehicle must then be pushed in to place on the stand. No vehicle can be driven inside the exhibition hall.
